

# ***Fellowes***

**Volo**  
*Frameless Wall*

# Fresh Outlook

New Frameless Glass Walls add the elegance of pure space-defining glass to Volo's versatile lineup. The sleek storefront option affords clear views and a clean, sophisticated look at a highly competitive price and accelerated lead times.

The new panels join a full Volo array of options that let you create a workspace to meet your needs, vision, schedule – and budget.

## Smart Glass

Provides instant privacy by switching from translucent to controlled transparency in just 3 milliseconds. The perfect solution for interior glass walls in offices, hospitals, and retail spaces.
