Triumph-LX™
Electric Table Base

Triumph-LX™

Electric Table Base

Height Adjustable
From 26.1" to 43.4"

The Triumph-LX includes two motors allowing smooth height adjustment while supporting a broad range of worksurface weights. With adjustable cross channels, the table base can adapt over time with the changing technology and work tool needs of the user.

Designed to give users flexibility to sit or stand at their workspace with the touch of a button.

Standard Base
