

Fellowes®

Rising Loft™

Enhanced Workspace Productivity

Statement of Line

Key Features

Rail

- Available in three widths:
- 24.0" (22" actual), 48.0" (46" actual), and 60.0" (58" actual)
- Each rail includes back painted magnetic glass in Black (BLK), Platinum (PLT), or Designer White (DWT)
- Clamps onto desks/surfaces 0"-3.23" thick
- Includes a power module with (1) A/C, (1) USB-A, and (1) USB-C installed on right side of the rail standard. Power module can be moved to the left if needed. Additional power can be ordered and installed on 48" and 60" rails only
- Rails can be attached to the support legs at three different positions to achieve desired height from the worksurface (3.01", 3.78", 4.56")
- Rubber pads under support legs to ensure a tight fit without marring surface
- UL and cUL approved
- Weight Capacity:
- 75lbs. max total weight capacity when using monitor arms and/or laptop holders with 2 support legs
- 85 lbs. max total weight capacity when using monitor arms and/or laptop holders with 3 support legs (support legs can be ordered separately)
