Committed to our Customers

01 Customer Service & Orders

Toll Free: 800.833.3746
Please e-mail orders to
ci-orders@fellowes.com.

Fellowes' customer obsessive, award-winning team is on-call to assist with any workspace needs. We are ready to answer questions or recommend products that help customers achieve their best at work.

Fellowes honors a no restocking fee for our customers, if the return is approved in advance.

02 48 Hours

Fellowes can fulfill orders in as little as 48 hours based on product availability. We do this by maintaining high inventory levels of the most popular products so our customer can meet ambitious deadlines and schedules. Fellowes' exceptional fulfillment service ensures you get the products you want, when you want them. Unless otherwise specified, most of Fellowes' products ship within two business days after the order is placed and acknowledged.

03 Specifying Libraries

Fellowes' products are available in the following furniture specification software programs:

**CET Designer | Configura 2020 | Cyncly
Commercial Interiors Library | Configura
ICE Edge
KISP
HEDBERG
Thumbprint**

Fellowes also utilizes My Resource Library (MRL), a virtual library for all our digital cutsheets and catalogs.

04 Lead Time Designations

The **LT** product marker indicates that the lead time may vary depending on quantities ordered and their availability. Please contact our Customer Service Department for on-hand availability when placing orders for products marked with LT. Purchase Orders that include LT designated products will be shipped based on the lead time of those products. Split shipments are available for orders that include both LT and non-LT products.

05 Reserved Inventory

The Fellowes team is focused on helping our customers execute large projects on time. A Reserved Inventory Program is offered for projects totaling at least \$15,000 net. Find out how this program can help make your projects a success by contacting our Customer Service Department.

06 Lifetime Warranties

Many Fellowes' workspace accessories are backed by an industry-leading lifetime product warranty. Ask us about our labor warranty reimbursement program. View the full warranty policy at **fellowes.com** or contact our Customer Service Department for more information.

07 General Information

All prices in the catalog are effective June 5, 2025 and are list price in U.S. dollars. Visit Fellowes' website **fellowes.com** for additional specs, dimensional drawings, alternative images and more resources for all of Fellowes' products.

Form Meets Function Meets Sophistication

At Fellowes, we believe that the beauty of modern design goes hand in hand with practicality. Our in-house industrial design team works tirelessly to craft products that don't just serve their purpose but elevate the workplace. With a focus on innovation and functionality, we aim to create solutions that not only help businesses operate more efficiently but also leave a lasting impression—proving that style and substance can go together seamlessly.

Popular Product Categories

Power Modules

In today's fast-paced, tech-driven work environment, desktop power is no longer just a convenience—it's a necessity. The NEW FlexCharge 65W Series now offers enough output to power laptops and charge mobile devices even faster.

See details starting on page 187

Monitor Arms

Monitor Arms are a must when considering productivity and ergonomic value. A few of the top sellers in this category are RISING EX2-MS, SENA2-MS, EVOLVE2-MS and EDGE2-MS.. This particular configuration fits most workstation designs and is easy to specify. Simply choose the Series that best fits your budget.

See details starting on page 18

Height Adjustable Tables

Height Adjustable Tables are perhaps the most important piece of the workstation by providing not only a work area that can be adjusted to the user's comfort but also for its' well-known health benefits. The Triumph and Victory Series are the most popular due to the wide selection of height, finishes and price points.

Power Modules

Monitor Arms

Height Adjustable Tables

For all of us. For our future.

What works for us also works for our planet. As a company, we're committed to providing solutions that foster sustainability and a focused attention on maintaining good environmental practices. That means selecting products that reflect this commitment. Adopting procedures that promote sustainability. Creating recycling programs. Reviewing and enhancing our operations. Because for us, it's the right thing to do.

Spare Parts Recycling

Fellowes' Rising, RisingEX, Evolve, Edge, Sena, SenaEX and Eppa series monitor arms are shipped with both a desk clamp and grommet mount included—making them simple to order and install. After the installation is complete, the unused desk clamp or grommet mount can be sent back to Fellowes at no cost to you. Fellowes will then recycle the parts as appropriate. Our Spare Parts Recycling Program prevents leftover parts from taking up space in your facility or in a landfill. Contact our Customer Service Department to participate.

LEVEL Certification

LEVEL was created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. To put it simply, LEVEL is to commercial furniture as LEED is to buildings. Also like LEED, LEVEL is comprehensive. It addresses criteria across corporate, facility and product impacts in a way that few other certifications do. If you see a LEVEL certified product, you can be assured that every part of the process from manufacturing to delivery has been tested to ensure that you are getting quality products made safely and ethically, with a minimal environmental footprint.

A Legacy of Excellence

Rooted in a fourth-generation family business, Fellowes is dedicated to enhancing workplace environments with high-quality furnishings, and innovative workspace tools. Our commitment to superior design and functionality reflects a deep understanding of what makes a workspace thrive.

We believe that the best work begins with the right environment which in turn, inspires success.

Vertical Market Solutions

Providing federal agencies, state and local government, higher education, healthcare, and non-profit organizations with the tools to create high performance work environments. As a leader in ergonomic workspace accessories, our products help you to enhance productivity and wellness in every area of your facility.

Known for our award-winning customer service and high quality products, we make it easy for agencies to get what they need to improve ergonomics and support technology through all areas of the workspace. Partnering with resellers across the U.S. and internationally, we can meet any socio-economic goal your agency needs. We stand ready to help facilitate contracting objectives for your projects quickly and efficiently.

Cooperative purchasing agreements

Contract Numbers: COG-2152C and R10-1136E

Equalis Group is a national public sector purchasing cooperative that develops and administers a diverse portfolio of cooperative purchasing programs that cover a wide range of products and services. Each program in Equalis' rapidly growing portfolio provides its members with a legal and compliant exemption to the traditional bid/request for proposals (RFP) process and the ability to configure the solution that best meets their individual needs while achieving the lowest total cost.

Contract Number: 07-87

NCPA (National Cooperative Purchasing Alliance) is a leading national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. NCPA utilizes state of the art procurement resources and solutions that result in cooperative purchasing contracts.

Contract Number: 091423-FELL

Long before the Trans-Canada Highway or even the Canadian Pacific Railway, exploration and trade throughout Canada was facilitated by Canoe. In keeping with that entrepreneurial spirit, municipal associations across Canada have partnered to create the Canoe Procurement Group of Canada, one of the largest public sector buying groups in the country.

By combining the purchasing power of over 5,000 public and not-for-profit organizations throughout Canada, Canoe is uniquely positioned to get members access to a wide range of trade-compliant products and services at preferred rates.

Contract Number: R221001

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement.

Contract Number: 230301

TIPS is a national purchasing cooperative that provides a proven process to eliminate purchasing related stress for governmental entities by satisfying the typical lengthy and complicated bid and contractor qualification process. *Terms and conditions vary by contract. Please visit fellowes.com for the most updated information.*

Contract Number: 091423-FELL

A self-sustaining government organization, Sourcewell has over 40 years of dedicated service helping government and education entities operate more efficiently through a variety of solutions such as nationally solicited contract purchasing, technology solutions for schools, and regional programs and services for area schools and communities.

Contract Number: MA3971

The National Association of State Procurement Officials (NASPO) is a non-profit association dedicated to advancing public procurement through leadership, excellence, and integrity.

Group purchasing agreements

Premier Contract - Numbers PP-FA-1037 & PP-FA-2103

Premier is a leading healthcare improvement company, uniting an alliance of approximately 4,100 U.S. hospitals and 200,000 other providers to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions and advisory and other services, Premier enables better care and outcomes at a lower cost.

Monitor Arms

As Flexible As You Are

Make the most of your desk space and make the most of your day, with flexible monitor arms that move with you, boosting productivity and providing you with clearer sight lines. You can easily adjust up to six monitors, maximizing and transforming a mere desk into a true command center.

What to Consider When Selecting a Monitor Arm

Number of Monitors

Fellowes offers solutions for as few as one to as many as six monitors. Should the needs of the user change, the Rising, Edge, Evolve, and Kata series can all be easily modified in the field to accommodate additional monitors and changing work environments.

Height Adjustment

Monitor arms offer various types of height adjustability. The most user-friendly option is dynamic height adjustment which allows the user to adjust the monitor height quickly and easily with just the touch of a finger.

Weight of Monitor(s)

Fellowes' standard monitor arms in the Eppa, Edge, and Evolve series support the average monitor weights between 6 to 17 pounds. Kata and KataEX support 4 to 20 pounds, Sena and SenaEX support 2.2-19.8 pounds, while Rising and RisingEX support 3.5–28 pounds. For heavier monitors, the Edge-Max will support 17–42 pounds. The weight of the monitor arms should also include any additional monitor accessories (i.e. speakers, cables, or locks).

Size of Monitor(s)

Most users prefer to have their monitors side-by-side as close as possible with no gaps between them. The versatility of Fellowes monitor arms allow multiple wide monitors to fit side-by-side. Max width is contingent on the monitor meeting the weight capacity of the arms. Configurations that include a slider will provide additional horizontal adjustability, allowing monitors of varying sizes to fit together seamlessly.

Size and Shape of the Worksurface

Shallow worksurface depths of 24 inches or less, are best suited for monitor arm configurations with fewer limbs. For applications that require extended reach, Fellowes recommends a RisingEX, Evolve, SenaEX or KataEX configuration with multiple limbs. When positioning two or more monitors side-by-side in a 90° corner, the maximum monitor size will be reduced. Please contact our Customer Service Department to discuss your specific applications and requirements.

If you need further assistance in specifying the correct monitor arms or would like to take advantage of our demo program, please contact our Customer Service Department.

Monitor Arm Movement

Within the Fellowes monitor arm collection, there are many common movements.

Extension/Retraction

Rotation

Tilt

VESA mounts tilt forward and backward, providing varied viewing angle options.

Height Adjustment

Fixed Arms:
The arms can be mounted at any height along the pole.

Dynamic Motion Arms:
Motion arms can move up and down with finger touch adjustment. The arms can be mounted at any height along the pole.

Slider

Sliders move your monitor left and right providing more ability to position multiple monitors flush to each other.

Rising Motion Arms

Rising configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

Rising Fixed Arms

Rising configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Crossbar Mount

Launching Q3 2025, the Rising Crossbar can transform a single arm into a dual arm configuration quickly and easily. Supports monitors up to 30" (bezel measured left to right) and will support a max combined monitor weight of 25 lbs.

Flexible Growth

Because Rising is is designed with SnapKinect™ installation technology, arms can be easily added as needed to support additional monitors.

Quality Testing

Meets or exceeds BIFMA x5.5 guidelines.

Slider Mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers eight and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

Monitor Arms

Rising ID™
Custom Color & Logo Program

Live Your Brand

With Fellowes exclusive Rising custom color and logo program, design one-of-a-kind Rising arms with creative freedom – including any configuration, logo, and colors –to strengthen your brand recognition, inspire your teams, and enhance your workspace.

Minimum Order Quantities & Pricing

A minimum order quantity of 200 pieces per design and configuration (model) is required. List pricing is determined by the configuration chosen and is inclusive of 3 custom colors, non-polished finish, logo if desired (configuration must include a motion arm), color samples, first articles for approval, and freight costs.

Note: Polished finish models incur a slight increase in pricing.

Contact your Fellowes Contract Interiors Representative or our Customer Service Team at 800-833-3746 to learn more or to begin the process of designing your custom monitor arm.

Monitor Arms

Kata™ Series

Proprietary Design
Kata has been uniquely designed for Fellowes. The tension adjustment indicator, a clear gauge on the back of the motion arm, allows users to see tension levels while adjusting the arm for various weight levels.

KataEX Motion Arms
KataEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.

KataEX Fixed Arms
KataEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.

Flexible Growth
Because the KataEX is pole mounted, arms can be added as needed to support additional monitors.

Quality Testing
Meets or exceeds ANSI/BIFMA x5.5 guidelines.

Slider Mount
Position virtually any monitor side-by-side with a slider. The slider (S) offers nine and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

Kata™

KATA-DC

Kata

Single Monitor Arm

\$520

MODEL # KATA-DC- _ _ _
MODEL # KATA-GM- _ _ _
See key below for available finish options

Features

- Finger touch dynamic height adjustment
- Recommended for worksurfaces 36" deep or less
- 13.72" height adjustment range
- 7.79"-21.51" (*low/high*)
- 22.40" arm extension
- 3.46" arm retraction
- +90°/-25° monitor tilt
- ±90° VESA rotation
- 4lb.-20lb. weight capacity
- VESA 75mm/100mm quick release
- 180° lock-out feature
- Specify a grommet mount or a desk clamp mount
- Tension adjustment indicator for precision installation
- Partially assembled for quick installation

Monitor Arms

Evolve Series

- Evolve Motion Arms**
- Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.
- Evolve Fixed Arms**
- Evolve configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.
- Flexible Growth**
- Because the Evolve is pole mounted, arms can be added as needed to support additional monitors.
- Quality Testing**
- Meets or exceeds BIFMA x5.5 guidelines.
- Slider Mount**
- Position virtually any monitor side-by-side with a slider. The slider (S) offers eight and a half inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush.

As workstation needs change, so can the Evolve configurations. Additional components are sold separately:

- Motion Arms
- Fixed Arms
- Stem Arms
- 29.7" Pole (height includes base)
- Slider Mounts

Contact our Customer Service Department for compatibility and pricing for custom configurations.

Evolve Conversion Kit

\$458

MODEL # EVOLVEKIT-1MS2MS- _ _ _
Available in silver, black and white

Converts an existing Evolve-MS single monitor arm to a Evolve2-MS dual arm.

- Kit Includes:
- One Slider
 - One Motion Arm
 - One Arm Stem

Monitor Arm Key:

- Fixed Monitor Arm – F
- Motion Monitor Arm – M
- Slider Mount – S

Available Finishes:

- Silver – SLV
- Black – BLK
- White – WHT

Evolve2

Evolve2-F

Dual Fixed Monitor Arm

\$676

MODEL # EVOLVE2-F- _ _ _
See key below for available finish options

Features

- Manual height adjustment
- Recommended for worksurfaces 30" deep or less
- 18.2" arm extension
- 4.1" arm retraction
- +90°/-25° monitor tilt
- ±90° VESA rotation
- Up to 20lb. weight capacity (per arm)
- 19.70" pole height (includes base)
- VESA 75mm/100mm quick release
- 180° lock-out feature
- Desk clamp and grommet mount included
- 28" max. monitor width
Bezel measured left to right.
Max. width is contingent on weight capacity.
- Warranty: Lifetime

Evolve2-FF

Dual Fixed + Fixed Monitor Arm

\$825

MODEL # EVOLVE2-FF- _ _ _
See key below for available finish options

Features

- Manual height adjustment
- Recommended for worksurfaces 36" deep or less
- 23.1" arm extension
- 3.4" arm retraction
- +90°/-25° monitor tilt
- ±90° VESA rotation
- Up to 20lb. weight capacity (per arm)
- 19.7" pole height (includes base)
- VESA 75mm/100mm quick release
- 180° lock-out feature
- Desk clamp and grommet mount included
- 48.98" max. monitor width
Bezel measured left to right.
Max. width is contingent on weight capacity.
- Warranty: Lifetime

Evolve2-FS

Dual Fixed + Slider Monitor Arm

\$841

MODEL # EVOLVE2-FS- _ _ _
See key below for available finish options

Features

- Manual height adjustment
- Recommended for worksurfaces 30" deep or less
- 15.35" arm extension
- 5.74" arm retraction
- +80°/-60° monitor tilt
- ±90° VESA rotation
- Up to 18.5lb. weight capacity (per arm)
- 19.7" pole height (includes base)
- VESA 75mm/100mm quick release
- 180° lock-out feature
- Desk clamp and grommet mount included
- 37.01" max. monitor width
Bezel measured left to right.
Max. width is contingent on weight capacity.
- Warranty: Lifetime

Monitor Arm Key:

Monitor Arms

Sena™ Series

- Proprietary Design**
- Sena has been uniquely designed by the Fellowes Design Team.
- SenaEX Motion Arms**
- SenaEX configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease.
- SenaEX Fixed Arms**
- SenaEX configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments.
- Flexible Growth**
- Because the SenaEX is pole mounted, arms can be added as needed to support additional monitors.
- Quality Testing**
- Meets or exceeds BIFMA x5.5 guidelines.

Monitor Arms
Eppa™ Series

Height Adjustment

Beneath Eppa's minimalist design is a reliable and smooth finger touch gas spring adjustment control that supports a 10.5 inch dynamic height adjustment range.

Retraction

Retracting to a four inch depth and extending 20 inches, Eppa offers a comfortable viewing distance no matter the size of the workstation.

Conversion

Reuse most of the parts in your single Eppa arm when you convert up to the dual Eppa2 with our simple kit. Conversion kit sold separately.

Quality Testing

Meets or exceeds BIFMA x5.5 guidelines.

Height Adjustable Tables

Change Your Perspective to Win the Day

Customize the fit of your workspace with height adjustable tables. Sit. Stand. Or sit and stand throughout your day, for the ultimate in finely tuned comfort. Our tables can be used for any environment, offering you flexibility in your office layouts and workflow; options include electric, pneumatic, and crank bases, with two or three-leg configurations.

Two or Three Motors

All-Flex 2-leg Includes two motors and All-Flex 3-leg includes 3 motors allowing smooth height adjustment while supporting a broad range of worksurface weights.

Versatility and Flexibility

Provides adjustable cross channel, top support & feet making it one of the most adjustable table bases on the market.

Model Part Number

All-Flex uses only one model number for all 2-leg sizes and configurations and one model number for all 3-leg sizes and configurations.

3-leg Configurations

All-Flex 3-leg can be configured for 90° or 120° with the universal bracket.

Quality testing

Meets or exceeds BIFMA x5.5 guidelines.

Worksurface Program

Multiple worksurface shapes and laminates are available. See pages 136–143 or worksurface details including pricing and laminate colors. TFL quick ship worksurfaces are shipped out in 48 hours, contact Customer service for current lead times for TFL standard and HPL standard/premium worksurfaces.

Table bases and worksurfaces can be purchased independently or as a combination. Fellowes worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering.
Equal Corner worksurfaces measuring 72x72x24 and 72x72x30 will ship in 2 pieces. 120-degree worksurfaces measuring 72x24 and 72x24 will ship in 3 pieces and include joining brackets.

All-Flex® 3-leg

The base dimensions as shown are actual.

Height Adjustable Tables

Victory™ LX

Quick Assembly

Frame and column connect and lock for quick and efficient assembly requiring minimal tools.

Two and Three Motors

Victory 2-leg includes two motors and Victory 3-leg includes 3 motors allowing smooth height adjustment while supporting a broad range of worksurface weights.

Cross Channels

With adjustable cross channels, the table base can adapt over time with the changing technology and accessory needs of the user.

Quality Materials

Steel frame and foot construction offers outstanding stability.

3-Leg Configurations

Can be configured for 90° or 120° with the universal bracket.

Height Range

Low to high adjustment range meets needs of the largest variety of users. Works with peds and storage with maximum 20 inches in height.

Quality Testing

Meets or exceeds BIFMA x5.5 guidelines.

Worksurfaces

Your Style, Customized

Fellowes offers laminates in 5 Thermally Fused Laminates (TFL), 9 Standard High Pressure Laminates (HPL) and 10 Premium High Pressure Laminates (PHPL).

Worksurfaces Overview

How to order:

Worksurfaces have multiple model numbers based on worksurface dimensions.

Fellowes offers Thermally Fused Laminate (TFL) in 5 colors for both quick ship and standard worksurfaces. Additionally we offer High Pressure Laminate (HPL) in 9 standard colors and 10 premium colors.

Use the worksurface two letter color code to complete your model number.

General information:

Worksurfaces

Worksurfaces can be sold separately or in combination with a table base.

Warranty: Lifetime

Sizing

Fellowes worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering. TFL worksurfaces are 1.0" thick. HPL worksurfaces are 1.125" thick.

Lead times

For standard colors and sizes the leads times are as follows. Lead time may vary depending on quantities ordered and their availability. For custom sizes and laminates please see below:

TFL quick ship: 48 hours
TFL standard: Contact Customer Service for current lead times
HPL standard: Contact Customer Service for current lead times
HPL premium: Contact Customer Service for current lead times

Custom options

For more information on alternative worksurface shapes, thicknesses, edge detail, laminate options, and pre-drilling, contact our Customer Service Department. Extended lead times and upcharges will apply on all custom requests. Orders with custom laminates or custom edge detailing will both require a standard solid edge banding.

Worksurface pre-drilled holes

For your convenience, all quick ship worksurfaces will be pre-drilled to accommodate the Victory-LX 2-leg and the Triumph-LX table bases. Pre-drilling for any other height adjustable table base series will require extended lead time and an additional cost.

**Fellowes worksurfaces are designed to work with Fellowes height adjustable table bases. If a different application is going to be used, please contact customer service for more details.*

Woodgrain pattern direction:

Please see the diagrams for the direction of the woodgrain pattern on each worksurface shape.

All register marks are property of their respective owners.

Worksurface part number breakdown:

This product number represents:
Rectangle shape 48.0" wide and 24.0" deep
TFL standard Designer White laminate

a: worksurface shape
b: worksurface width
c: worksurface depth
d: laminate material
e: laminate color

Edge detail

Worksurfaces ship with standard square edge profile and coordinating 3mm edge band with a 3mm top radius. Alternative edge detail options are available at additional cost.

Laminate materials

Worksurfaces are available in select Wilsonart®, Formica, and Panolam laminate options. Fellowes worksurfaces are either Thermally Fused Laminates, High Pressure Laminates or Premium High Pressure Laminates. Please indicate laminate color choice Zby adding the 2-letter code at the end of the worksurface model number.

Thermally fused laminates (TFL)

Quick-ship and standard worksurfaces consist of a single printed decor paper fused directly by heat and pressure to the core material of MDF or particle board. TFL benefits: cost efficient, consistent and uniform, water resistant, scratch resistant.

High pressure laminates (HPL)

Standard and premium worksurfaces consist of a melamine treated printed decor paper fused to multiple sheets of kraft paper. Heat and pressure bond all the sheets together creating a flexible and durable piece of plastic type material which is then adhered to MDF or particle board.

Standard HPL benefits: durable, versatile, stylish, heat resistant, water resistant, scratch resistant, impact resistant, hygienic qualities.

Premium HPL benefits: Same as standard HPL, plus enhanced performance to durability and scratch resistance.

TFL Quick Ship Worksurfaces

TFL quick ship worksurfaces ship within 48 hours and are available in five colors. Please see pages 142–143 for the laminate options that are available.

Zona™

Zona

Training Table

Features

Space-saving Flip/Nest tables are a big advantage for teams that need to stay flexible, respond quickly and make the most of their office space. Zona handles all these needs easily, and does it gracefully. A clean alignment of table tops replaces the staggered arrangement most nested table models produce when they are stored.

Whether it's a roomful of trainees or an improvised office, Zona arranges and re-arranges nimbly to create the configurations you need, when you need them.

Leg Type: Flip T Base			
Rectangle top size	Edge of table top to outside of leg	Area between legs	Front edge of table top to outside of leg
48"W x 24"D	4.264"	35.627"	10.694"

Power Solutions

Charge Ahead and Power Through

Get power when and where you need it most: bring outlets to you with the FlexCharge series or wire your work place with the Railway series. Our options make these power source solutions adaptable for virtually any workspace. fixed-height workstations can be easily retrofitted to offer adjustable height options, offering the utmost in flexibility.

Power Solutions

Railway™

Versatile Solution
Optimize floor plans with various workspace needs by adding Railway data and power rails. Available in four widths with power and data on both sides.

Visually Clean
The simple, non-panel design keeps all of the electrical and data wiring separated and hidden inside the rail.

Feet
All posts come standard with a T-foot which is ideal for use in open floor plans. Alternatively, the L-foot is available to accommodate applications against a wall or partition.

Railway™

Railway

Power and Data Solution

- Features**
- Four available widths: 36", 48", 60", and 72"

Posts, rails, and feet will match specified finish

2-Pack (up to two users)

Run Includes:

- Two – End posts
- One – Rail in the size of your choosing, double run
- One – Base feed
- Two – T-feet
- Four – Receptacles
- Two – Data ports

A **2-pack** is a one to two user configuration
Up to **two** users can be provided power and data based on specified run
Kits not applicable in New York, Chicago, or California

4-Pack (up to four users)

Run Includes:

- Two – End posts
- One – 180° post
- Two – Rails in the size of your choosing, double run
- One – Base feed
- Three – T-feet
- One – Jumper
- Eight – Receptacles
- Four – Data ports

A **4-pack** is a two to four user configuration
Up to **four** users can be provided power and data based on specified run
Kits not applicable in New York, Chicago, or California

6-pack (up to six users)

Run Includes:

- Two – End posts
- Two – 180° posts
- Three – Rails in the size of your choosing, double run
- One – Base feed
- Four – T-feet
- Two – Jumpers
- Twelve – Receptacles
- Six – Data ports

A **6-pack** is a three to six user configuration
Up to **six** users can be provided power and data based on specified run
Kits not applicable in New York, Chicago, or California

8-pack (up to eight users)

Run Includes:

- Two – End posts
- Three – 180° posts
- Four – Rails in the size of your choosing, double run
- One – Base feed
- Five – T-feet
- Three – Jumpers
- Sixteen – Receptacles
- Eight – Data ports

An **8-pack** is a four to eight user configuration
Up to **eight** users can be provided power and data based on specified run
Kits not applicable in New York, Chicago, or California

Power Solutions

FlexCharge Personal Desktop Power

NEW 65W Charging Output Products

All of our FlexCharge Power Modules will soon be available with enough output Wattage to power laptops and other devices typically used throughout the workday.

With 65W of available power output, the new and improved FlexCharge line of personal desktop power will be available to ship Quarter 3, 2025.

Quick Reach

Puts power within reach for any individual desk or benching environment.

Charging

Includes quick-charge USB-A and USB-C ports for powering up phones, tablets or other devices.

Quality Testing

Meets CSA C22.2 No269 surge protection guidelines.

FlexCharge4CX Extended Reach

Six additional AC outlets on the power adapter which mounts below the worksurface for all workstation equipment that needs power, but doesn't need to be seen.

Specifications

AC Power Outlet	15A, 120V, 60Hz			
USB Maximum Current Flow	USB Type-A	5V: 2.4A		
	USB Type-C (PD 3.0)	5V: 3A	9V: 3A	12V: 3A
		15V: 3A	20V: 3.25A	
USB Maximum Combined Outlet	65W			

FlexCharge3C-65W complies with UL 962A Standard for Furniture Power Distribution Units and meet respective spill test criteria.

FlexCharge™4CX-65W

Available August 2025
FlexCharge4CX-65W
Personal Desktop Power

\$488

MODEL # FCH4C-65W-BLK
MODEL # FCH4C-65W-WHT

Features

- Two AC outlets
- One quick-charge USB-A port
- One quick-charge USB-C port
- Power strip: six AC outlets
- Power module: universal mounting bracket that allows for a desk clamp, 2" grommet, or under worksurface mount
- Power strip: mounts below the worksurface
- Power module meets spillprotection criteria
- UL and cUL listed
- Chicago Code compliant mounting brackets on power strip
- Complies with CAN ICES (B) / NMB (B)
- 9' power cord (black)
- 28.5" connection cord (color matched to power module)
- Indicator light illuminates when built-in surge protection is active
- Warranty: 10 Years

Available Finishes:

- Black – BLK
- White – WHT

Markerboard ID™

Custom Color & Design Program

Make your Mark
With Fellowes Markerboard ID™ Custom Color and Design Program, you can create unique and purposeful markerboards that engage the workspace. Choose striking material colors, add your own graphics to create personalized and functional markerboards that inspire your people to make their mark.

Markerboard ID™

Process
To get started, contact your Fellowes sales rep. Our team will work with you on customization choices, logos, quantities, and timing.

Timeline
Once the custom design is approved and we have received a clean Purchase Order, lead time will be approximately 6-8 weeks.

A Fellowes customer service contact will be assigned to communicate with directly throughout this process.

A Project Dashboard outline will also be provided so expectations and delivery dates are clearly communicated.

This Process Flow Chart outlines each step that is necessary for successful completion.

How it Works
Fellowes direct-to-glass printing is the latest, state-of-the art technology. We can easily print your vibrant images, graphics, and charts directly onto our mobile and select glass markerboards, ensuring long-lasting, fade-free results. No minimum quantities required.

Contact a Fellowes customer service representative for current pricing at 800-833-3746.

Keyboard Managers

- 7" adjustment range
 - 2.5" height above track
 - 4.5" height below track
- 360° glide track rotation
- Positions flush with worksurface
- Recommended for any platform
- Warranty: Lifetime

AA360

Articulating Arm

\$351

MODEL # AA360

Features

- Lift-and-lock adjustment
- 21" glide track
- 21" minimum clearance required for full retraction
- ±15° tilt adjustment
- 7" adjustment range
 - 2.5" height above track
 - 4.5" height below track
- 360° glide track rotation
- Positions flush with worksurface
- Recommended for any platform
- Warranty: Lifetime

Articulating Arms

AA100-PTLO

Articulating Arm

\$373

MODEL # AA100-PTLO

Features

- Lift-and-lock adjustment
- 12.3" glide track
- 13" minimum clearance required for full retraction
- +22.6°/-12.4° tilt adjustment
- 6" adjustment range
 - 2.4" height above track
 - 3.6" height below track
- 360° glide track rotation
- Positions flush with worksurface
- Recommended for PLO03-27N notched platform
- Warranty: Lifetime

AA750DAT

Articulating Arm

\$375

MODEL # AA750DAT

Features

- Lift-and-lock and dial-a-tilt adjustment
- 218" glide track
- 22" minimum clearance required for full retraction
- +10°/-15° tilt adjustment
- 7.1" adjustment range
 - 2.2" height above track
 - 4.9" height below track
- 360° glide track rotation
- Positions flush with worksurface
- Recommended for any platform
- Warranty: Lifetime

Articulating Arms

AA370

Articulating Arm with
Extended Reach

\$471

MODEL # AA370

Features

- Lift-and-lock adjustment
- 24.8" glide track
- 25" minimum clearance required for full retraction
- ±15° tilt adjustment
- 16" adjustment range
 - 8" height above track
 - 8" height below track
- 360° glide track rotation
- Positions flush with worksurface
- Recommended for any platform
- Warranty: Lifetime

AA780DAT

Articulating Arm with
Dial-a-Tilt Adjustment

\$554

MODEL # AA780DAT

Features

- Lift-and-lock and dial-a-tilt adjustment
- 21.8" glide track
- 22" minimum clearance required for full retraction
- +10°/-15° tilt adjustment
- 12.9" adjustment range
 - 8.2" height above track
 - 4.7" height below track
- 360° glide track rotation
- Positions flush with worksurface
- Recommended for any platform
- Warranty: Lifetime

Keyboard Accessories

Spacer Kit

Spacer Kit

\$91

MODEL # SPACERKIT-KBD-BLK

Features

- Ideal for height adjustable tables and benching systems, the kit creates a flat mounting surface for keyboard arms and glide tracks where cross channels typically prevent installations
- Attaches between underside of worksurface and a keyboard arm or glide track
- Includes mounts for benching systems and height adjustable tables
- Powder coated steel construction
- Two sets of spacers included to accommodate needed spacing between 1"-2.2"
- Includes installation hardware
- Warranty: Lifetime

Terms & Conditions

Let's Get On the Same Page

The following pages demonstrate how Fellowes strives to deliver best-in-class quality products, with a commitment to Unleashing WorkLife Potential while backing our products.

Terms & Conditions

These terms shall be considered to be an inseparable part of any additional terms between the applicable Fellowes entity and Customer and are collectively referred to herein as the Terms and Conditions. To the extent that any terms provided by Customer conflict with the terms and conditions that follow, these Terms and Conditions shall govern that transaction.

Acceptance; Entire Agreement.

Acceptance by Customer of delivery of goods constitutes acceptance by Customer of the following terms and conditions. Any additional or different terms proposed by Customer shall be deemed to have been objected to by the Fellowes entity ("Fellowes" or "Seller"), shall be of no force or effect, and shall not be binding upon or enforceable against Seller. These terms and conditions constitute the entire agreement and understanding between the parties and supersede any and all prior agreements, understandings and communications with Customer, oral or written, relating to the goods that Seller or any of its subcontractors may provide (collectively, the "Goods"). No course of dealing or course of performance, either prior to, during or after the delivery of the Goods, shall be relevant or admissible by Customer to supplement, explain or vary these Terms and Conditions. The invalidity or unenforceability of any Terms and Conditions shall not affect the validity or enforceability of any other term or condition, and the remaining terms and conditions shall remain in full force and effect. No waiver, amendment or modification of these Terms and Conditions shall be binding upon or enforceable against Seller until approved in writing by a Fellowes Authorized Signatory.

Proprietary Information; Confidentiality.

Advertising. Customer shall consider all information furnished by Fellowes, as well as information learned about Fellowes' business or products, to be confidential and shall not disclose any such information to any other person or entity or use such information itself for any purpose other than performing hereunder, unless Customer obtains written permission from Fellowes to do so. This paragraph shall apply to drawings, specifications, or other documents prepared by Customer or Fellowes in connection with this order as well as observations of Customer while receiving goods or services. Customer shall not advertise or publish the fact that Fellowes has contracted to sell goods or services to Customer, nor shall any information relating to the order be disclosed without Fellowes' written permission unless otherwise agreed in writing, no commercial financial or technical information disclosed in any manner or at any time by Customer to Fellowes shall be deemed secret or confidential and Customer shall have no rights against Fellowes with respect thereof except such rights as may exist under patent or copyright laws.

Trademark Rights.

Fellowes grants Customer a non-exclusive, royalty-free license to use the Fellowes' trademarks included on any goods purchased hereunder (the "Licensed Marks") in connection with Customer's sale or marketing of goods in the course of Customer's business. The license granted herein does not include a right to sublicense. Customer acknowledges that Fellowes is the owner of the Licensed Marks, and nothing herein shall grant to Customer any right, title or interest in the Licensed Marks, except as specifically set forth herein. Customer shall use Fellowes' trademarks in a manner that is consistent with Fellowes' standards. This includes

using the ® designation adjacent to registered trademarks, and the TM designation adjacent to unregistered trademarks, where practicable. Customer shall cooperate with Fellowes' requests to ensure that Fellowes' trademarks are used in this manner. Fellowes shall have the right to review and inspect any marketing or promotional materials relating to the Licensed Products and, in its sole discretion, to prohibit the use of any such materials that do not meet Fellowes' standards. If Customer becomes aware of any infringing products, Customer will promptly notify Fellowes, which reserves the right to take any action. This trademark license is revocable at Fellowes' sole discretion.

Prices.

Prices quoted by Fellowes are subject to change without notice. Prices billed on invoice at time of shipment shall govern. Unless otherwise stated, all prices are quoted in U.S. Dollars. Seller will not accept or process purchase orders that contain pricing different from the standard prices. Fellowes reserves the right to revise all pricing, discounts, and freight terms, at any time, without notice. Current product pricing is included on product pages at Fellowes.com. Prices which are in effect at the time of order shall apply. Listed prices exclude additional fees applicable to special services requested by Customer (e.g., special cutting).

Taxes.

The prices for the Goods do not include sales, use and other taxes, duties and other governmental fees and charges that may be applicable to the Goods, and Customer shall be responsible for and pay upon demand all such taxes, duties and other governmental fees and charges (other than income taxes of Seller), notwithstanding that responsibility for collection or payment of such taxes, duties and other governmental fees and charges may be imposed by law on Seller or any of its subcontractors. All authorized dealers should ensure that a resale tax exemption certificate is on file with Fellowes.

Discontinued products.

Due to changing market demands, Fellowes may periodically discontinue certain products. Fellowes reserves the right to change and/or discontinue products at any time without notice.

Credit.

Fellowes may, in its sole discretion, extend credit to the Customer. For credit limits in excess of \$100,000, Fellowes requires audited financial statements prior to initial credit approval and on an annual basis thereafter. Fellowes shall perform periodic credit reviews using credit reporting agencies, trade references, industry trade groups and banks. In the event of a material adverse change in Customer's credit standing or in the event that Customer does not comply with the terms of these provisions, Fellowes shall have the right to change terms of payment, and Fellowes obligation to provide Products will be subject to reaching mutual agreement on revised terms.

To establish an account, Customer must complete and submit Fellowes' New Account Application (signed by company officer of Customer), Federal Taxpayer ID (Form W-9) and State Resale Certificate. Subject to sales, credit history, and credit lines, a deposit or advance payment may be required to process large orders.

Terms & Conditions

Once credit is approved, payment terms are net 30 days. Prior to Customer's credit approval (with receipt of required documents), prepayment of orders may be made by corporate check, wire transfer or ACH or for convenience, credit cards (Visa and Mastercard) are accepted.

Fellowes reserves the right to amend account terms, at any time, based on account history.

Deposits: Subject to sales, credit history, and credit lines, a deposit may be required to process large orders.

Payment.

Unless otherwise agreed in writing or stated on the Invoice, all payments are to be made in US Dollars and all amounts payable by Customer shall be due and payable in full 30 days after invoice. Fellowes will not accept the unilateral assessment of any fee, marketing support, co-op or other advertising, expense reimbursement, rebate, offset or any other financial or marketing support not explicitly authorized in writing by an authorized officer of Seller.

Any amounts not paid in full within 30 days after invoice shall be subject to a late payment charge of 1 ½ % per month (or, if less, the maximum amount permitted by law) from the date due until paid. Fellowes' obligation to provide Products is subject to receipt of prompt payment of all invoices pursuant to the terms of this and other agreements we may have with Customer. Progress billing of interest due or a failure to bill for interest due shall not constitute a waiver of Fellowes' right to charge interest on all amounts past due to the date payment is received. Should any portion of an invoice become disputed you agree to pay the undisputed portion according to its terms, and you will notify us promptly of the dispute.

Both parties agree to use their best efforts to resolve the disputed portion of such invoice within 30 days. Fellowes shall have the right to set off against any amount that Fellowes may be obligated to pay to Customer any amounts due or to become due to Fellowes from Customer and its divisions, subsidiaries and affiliated companies. Fellowes may assign payments due to a wholly-owned subsidiary without consent.

Order Placement and Confirmation.

Orders are to be submitted via e-mail to ci-orders@Fellowes.com. Orders must include "Ship To" and "Bill To" information along with complete Fellowes product model numbers and Customer cost. Government orders require a copy of the agency PO at the time the order is placed with Fellowes. All orders shall be subject to written acceptance by an authorized representative of Fellowes. Incomplete orders or changes will delay processing and shipment until receipt of all necessary information and Fellowes issuance of revised Sales Order Acknowledgment.

Order changes or cancellations.

All Customer cancellations and changes must be submitted to Fellowes in writing to ***ci-orders@Fellowes.com***. **Any request for cancellation or change to an order must be submitted within twenty-four (24) hours of receipt of order acknowledgment by Fellowes. Any requested cancellation or change received thereafter will incur a fee.** Order changes include the addition/deletion of line items or changes in quantity or requested Ship

Date or Ship To address. Order changes that result in a quantity reduction may be subject to an adjustment in pricing. Change or cancellation requests are not considered accepted until Fellowes provides a revised Sales Order Acknowledgment. Changes may result in processing delays or shipping delays. Under no circumstances will changes or cancellations be accepted on any special order, custom product, or worksurface order without the express written consent of Fellowes. All such custom and special orders are non-returnable.

Lead-Times and Delays.

Fellowes reserves the right to alter lead times as demand for products fluctuate. Stated lead- times begin after a complete order is entered and scheduled. Shipments are subject to product availability. Special products and larger orders may entail extended lead-times. Orders placed by dealers without a requested delivery date will be assigned a delivery date for custom product orders as currently published at www.fellowes.com. Please contact your customer service representative for estimated lead-times. If unforeseen circumstances occur, Fellowes may postpone delivery of orders and will notify Customer when such postponement occurs.

Fellowes shall not be liable for loss or damage due to delay in manufacturing or delivery resulting from any cause beyond Fellowes' reasonable control. This includes, but is not limited to, compliance with any regulations, orders, or instructions of any Federal, State, or Municipal Government, or any department or agency thereof, acts of God, acts or omissions of Customer, acts of civil or military authority, fires, strikes, disease or pandemic, factory shutdowns or alterations, embargoes, war, riot, delays in transportation or inability due to causes beyond Fellowes' reasonable control to obtain necessary labor, manufacturing facilities, or material from Fellowes' usual sources. In no event shall Fellowes be liable for special or consequential damages for any delay for any cause.

Shipping and Transportation.

(a)For Stocked Finished Goods
48-hour shipping program

Fellowes offers 48-hour shipping on the majority of finished goods that are in stock. Unless otherwise requested, these products are shipped from multiple shipping points throughout the U.S., within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (lead time) and therefore excluded from the 48-hour shipping program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days for delivery after Fellowes' receipt of Customer's order. Call for on-hand availability.

Please note:

- For the order to qualify for 48-hour shipping, all products on the PO must be available under the 48-hour shipping program
- POs that include LT designated products will be shipped based on the lead time of the LT designated products unless otherwise

Terms & Conditions

- requested
3. 48-hour orders will be shipped out within two business days of Fellowes' receipt of Customer's order unless otherwise specified on the PO
4. Worksurfaces, Motific, Centro, and Railway may arrive on a date different than the other items on the order

For all other purchases, delivery dates for the Goods shall be established by mutual agreement of Fellowes and Customer. The minimum order size is \$1,500. Fellowes may at its option accept orders not meeting the minimum order size with a \$75 handling fee. Customer shall provide any special shipping or labeling requirements to Fellowes for consideration prior to the first shipment.

Freight terms for all Contract Interiors products except for Markerboards are as follows:

- Orders under \$3,500 list will incur a flat \$35 net fee
- Orders over \$3,501 list ship free
- Residential freight deliveries will incur a flat \$70 net fee

For Canada:

- Orders under \$4,725 (CAD) list will incur a flat \$70 (CAD) net fee
- Orders over \$4,726 (CAD) list ship free
- Residential freight deliveries will incur a flat \$140 (CAD) net fee

Freight terms for Markerboards are as follows:

Freight Terms for Markerboards

QuickShip Wall-Mounted Markerboards & Accessories (U.S. Orders):

- Orders over \$3,501 (list): Ship free
- Orders under \$3,500 (list): \$35 flat fee
- Residential deliveries: \$70 flat fee

Mobile, Custom, and Non-QuickShip Wall-Mounted Markerboards:

- Orders over \$15,000 (list): Ship free
- Orders \$7,501–\$14,999 (list): \$350 flat fee
- Orders \$50–\$7,500 (list): \$200 flat fee

Crate Fees for Markerboards:

Non-QuickShip Wall-Mounted Markerboards (VITA & MURO made-to-order):

- \$40 per markerboard

Q! Portrait and Landscape & AX Mobile Markerboards:

- 1 unit: \$300 each
- 2–3 units: \$225 each
- 4+ units: \$150 each

VITA QS & MURO QS (QuickShip):

- No crate fees (ship in cartons)

AF Mobile Markerboards:

- No crate fees (ship on individual pallets)

For US purchase orders including InStock Wall Mounted, Mobile Markerboards and Markerboard Accessories, but no other Contract Interiors products included on the order:

- Orders over \$15,000 list ship free
- Orders \$7,501 List thru \$14,999 List will incur a flat fee of \$350 net
- Orders \$50 List thru \$7,500 List will incur a flat fee of \$200 net
- Markerboards (domestic and non-in stock items) requiring a wood crate will incur the following crate fees:
- Wall Mounted Markerboards will incur a flat \$40 net fee
- Mobile Markerboards will incur the following fees based on quantities ordered:
 - 1 Unit: \$300 net fee (each)
 - 2-3 Units: \$225 net fee (each)
 - 4+ Units: \$150 net fee (each)

Fellowes ships orders by way of standard ground carrier service dock-to-dock within the contiguous 48 states of the United States. Special requests such as "call before delivery", "delivery lift gate required", residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available. Contact our Customer Service Department for expedited delivery requests or deliveries outside of the contiguous 48 states. Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re-delivery or re-consignment.

Fellowes accepts requests for expedited freight at the customer's expense. Please contact our Customer Service Department at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

Unless an Invoice expressly specifies otherwise, all Goods shall be delivered F.O.B. the shipping platform at the shipping facility, and all shipping and transportation costs from the shipping platform at such facility shall be borne by Customer and all risk of loss, damage or late delivery shall pass to Customer upon loading at the shipping platform at such facility. Seller shall have no responsibility for any failure of or delay in delivery caused by or attributable to war, sabotage, riot, civil disorder, fire, flood, earthquake, explosion, accident, natural or manmade disaster, governmental action, shortage or interruption of supply of materials, supplies, equipment or energy, transportation problem, strike, labor stoppage or slowdown, or other cause beyond the reasonable control of Seller.

(b)For Made-to-Order, Special, and Custom Products

All orders shipped to any destination within the contiguous United States, will be F.O.B. origin, freight prepaid. Except as noted above, title and risk of loss or damage shall pass to Customer upon delivery to carrier. Fellowes shall retain a Purchase Money Security Interest in all such goods until payment is received in full and reserves the right to file and perfect the same. Fellowes will determine the method and agency of transportation to be used.

Exceptions to standard prepaid freight are as follows:

- Customer directed expedites (Air Freight, Team Hauls) will be prepaid by Fellowes and Customer will be billed the difference between standard and expedited freight

Terms & Conditions

- Truckload deliveries that are requested to deliver on weekends, Holidays or after 12:00 noon EST on Fridays will have an additionalcharge of \$450 per truck
- Excessive unloading (in excess of 2 hours) will be billed at \$50 per hour after the initial 4 hour unloading period
- LTL shipments normally deliver between 8:00 am and 5:00 pm, Monday through Friday. A specific delivery time on your assigned delivery date can be requested for an additional charge of \$150. This charge does not apply to full-truckload shipments. Requests for specific dates/times falling outside standard delivery timeframe for the carrier serving your area constitute Expedites (see Customer-Directed Expedites, above). Expedite charges do apply to full-truckload shipments
- Lift gate service will have an additional charge of \$85 for an LTL carrier. For lift gate service on a truckload, contact Customer Service
- Inside delivery service starts at \$50. Call Customer Service for quote
- Reconsignment cost after shipment starts at \$50. Call Customer Service for quote
- Special equipment requirements call for a quote

If delivery is made on Fellowes owned or leased equipment, Customer or its authorized representative is responsible for noting any freight damage or shortage on the freight bill of lading at time of delivery and must notify Fellowes within five (5) days of delivery day of any such damage or shortage. Assistance in a concealed damage claim will be provided by Fellowes only if the product has been immediately unpacked and both the carrier and Fellowes have been promptly notified of resultant damage so the proper inspection can be made.

Damage and Shortage.

Fellowes is not responsible for shipped products when the common carrier is in receipt of the material. Fellowes expects all customers to thoroughly inspect orders on receipt regardless of point of delivery. Clear receipt should not be given on the material until it has been checked for damage in transit. All claims for noted damaged material must be made by the Customer to Fellowes Customer Service. Concealed damage or damage not noted at time of delivery shall be made by the Customer to the common carrier within five (5) days after receipt. Fellowes assumes no liability for such damage. Shortage on ordered products must be reported to Fellowes within five (5) days of product delivery and must be noted on the bill of lading at time of delivery.

Storage.

When shipment is delayed by the Customer, Fellowes reserves the right to place the goods in storage at Customer's risk and cost. Fellowes charges ¼ of 1% of list price per week to cover storage. All terms and conditions of the sale, including but not limited to invoicing and payment, will continue to apply to Customer's confirmed order; except that title shall remain with Fellowes. Fellowes reserves the right to modify payment terms to assure recovery of any additional cost incurred.

Returned Goods.

To receive authorization to return goods, please contact Fellowes Customer Service Department at ci-customerservice@fellowes.com. All Returned Materials Authorizations expire thirty (30) days from date of issue. Any product returned after thirty (30) days will be refused and returned to sender collect. Electrical components, nonstandard items and fabric-covered goods may not be returned. Replacement products will be billed to you with credit being issued upon return of the product in good condition. All goods returned must be in the original Fellowes packaging. Goods will be inspected for damage upon return. No credit will be issued for goods which are damaged. A return authorization will not be issued for items unless they are Fellowes stock items. If material is authorized for return because of Fellowes error, shipment may be made freight collect. Any other goods that Fellowes authorizes a return will be sent prepaid and a restocking charge of 35% will apply.

Fellowes offers free returns for any accessory product returned in the original Fellowes packaging.

Fellowes does not accept returns of any made to order, special or custom product.

Product Usage and Compliance.

Customer assumes full responsibility for the application of Fellowes' product to Customer's use and compliance with Fellowes installation and maintenance instructions and reasonable load restrictions. Compliance to local code restrictions regarding fire, electrical, and building codes are the responsibility of the Customer or its authorized agent.

Limited Warranty; Limitations on Liability.

Fellowes grants a limited warranty to the end-users of its Goods, the terms of which are included with each product. Fellowes warrants to the Customer solely that, subject to the terms, conditions and limitations hereof, the Goods conform to the specifications set forth in the Fellowes catalog and will be transferred to customer free and clear of any and all encumbrances. This warranty supersedes all previously printed Fellowes warranties. **FELLOWES MAKES NO OTHER WARRANTIES AND GIVES NO OTHER ASSURANCES OR GUARANTEES, EXPRESS OR IMPLIED, WITH RESPECT TO ANY GOODS, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.**

FELLOWES' SOLE LIABILITY IN CONNECTION WITH ANY GOODS THAT ARE DEFECTIVE OR DELIVERED LATE SHALL BE LIMITED TO EITHER (i) REFUNDING TO THE CUSTOMER A PERCENTAGE OF THE TOTAL PRICE (EXCLUSIVE OF TAXES, SHIPPING AND OTHER SEPARATE CHARGES) THAT THE CUSTOMER HAS PAID TO FELLOWES FOR ALL GOODS PROVIDED EQUAL TO THE PERCENTAGE OF ALL GOODS PROVIDED THAT ARE DEFECTIVE OR DELIVERED LATE DUE TO THE SOLE FAULT OF FELLOWES AND ITS SUBCONTRACTORS, OR (ii) AT FELLOWES' OPTION, REPLACING FOR THE CUSTOMER, AT NO CHARGE TO THE CUSTOMER, THE GOODS THAT ARE DEFECTIVE OR DELIVERED LATE DUE TO THE SOLE FAULT OF FELLOWES AND ITS SUBCONTRACTORS.

Terms & Conditions

IN NO EVENT SHALL FELLOWES OR ANY OF ITS SUBCONTRACTORS BE LIABLE FOR (i) ANY INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, INTEREST, LOST PROFITS OR INTERRUPTION OF BUSINESS), EVEN IF FELLOWES HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF SUCH DAMAGES RESULT FROM ANY RECOMMENDATIONS MADE BY FELLOWES, OR (ii) ANY LOSSES, DAMAGES, LIABILITIES, SUITS OR CLAIMS THAT ARE COVERED BY ANY INSURANCE MAINTAINED BY OR ON BEHALF OF THE CUSTOMER OR ARE OTHERWISE RECOVERABLE FROM THIRD PARTIES.

IN ADDITION, THE LIABILITY OF FELLOWES AND ITS SUBCONTRACTORS FOR LOSSES, DAMAGES, LIABILITIES, SUITS AND CLAIMS, REGARDLESS OF THE FORM OF ACTION (WHETHER BASED ON CONTRACT, ON NEGLIGENCE, ON STRICT LIABILITY OR OTHERWISE) AND THE PERSON OR ENTITY BRINGING SUCH ACTION, SHALL NOT EXCEED, IN THE AGGREGATE, THE TOTAL AMOUNT (EXCLUSIVE OF TAXES, SHIPPING, AND OTHER SEPARATE CHARGES) ACTUALLY PAID TO SELLER BY THE CUSTOMER FOR THE GOODS AT ISSUE. ANY ACTION AGAINST SELLER MUST BE BROUGHT WITHIN ONE YEAR OF THE CAUSE OF ACTION FIRST ARISING.

Lifetime Warranty.

Fellowes warrants to the original purchaser that the goods described in its price lists, sold after March 3, 2025, will be free from defects in materials and workmanship commencing with the date of initial purchase and continuing for as long as the original owner uses the purchased products. This warranty is non-transferrable and contains the following limitations.

	Products	Components
10 Years	• Lighting • Power Solutions • Hana Series • Palm Rests/Mouse Pads/ Pencil Drawers • Lotus-DX Power Module • Rising Loft	• Panel Fabrics • Acoustic Tiles
5 Years	• Anti-fatigue Mats • Markerboard Accessories	• Upholstered Cushions • PET and Acrylic Screens and Modesties • Seating Mesh • Plastic Components • Paint
Not Covered		• Custom Requested Logos • Special Paint Textures and Finishes • Custom Products (sizes, non-standard models)

Warranty Exclusions.

The following warranty exclusions apply to all Goods:

All Fellowes warranties apply only under typical office use which is defined as an eight (8) hour day, forty (40) hour week, and excludes excessive use.

Damages caused by improper treatment, accident, altercation, transport, misuse, normal wear and tear such as dents, nicks, scratches, fading, and fading of the Goods including exposure to unusual environmental conditions (extreme climates, acids, and moisture) are excluded. No express promise or guarantee is made to an exact color match to any customer-owned product in an existing installation.

Warranties are excluded for Goods purchased for personal, family, or household purposes and for Goods purchased from any source other than Fellowes, its Fellowes-Authorized dealers, or any other such entity that is specifically authorized by Fellowes to sell the Goods.

Fellowes warranties apply only to Goods installed or reconfigured by a Fellowes-authorized installer with an original product label attached to the Good. For Goods that are defective within the period stated above, Fellowes will, at its sole option, repair or replace defective Goods free of charge when such Goods were used under typical office use conditions pursuant to Fellowes published instructions and applicable planning guide information.

All warranties, exclusions, and limitations are express and made a condition of the sale of Goods.

No person is authorized to assume any warranty stated herein for Fellowes, except as expressly set forth in writing by an authorized officer of Fellowes.

Any and all labor chargebacks must be pre-approved by Fellowes Customer Service Manager in writing. Fellowes will reimburse a Fellowes-Authorized dealer and service center with a credit against future orders.

No warranty period is stayed or prolonged by the performance of a service under the terms of the warranty.

If Seller is Fellowes, Inc. or any other subsidiary or joint venture of Fellowes, Inc. not listed below:

The construction, validity and performance of these Terms and Conditions shall be governed and construed according to the internal laws of the State of Illinois. Seller and Customer agree that any legal action arising out of or relating to this agreement or the transactions contemplated by this agreement shall be brought in either the United States District Court in and for the Eastern Division of the Northern District of Illinois or the Circuit Court in and for Du Page County, Illinois, and consents to personal jurisdiction of such courts over them in any such action. Seller and Customer waive any defense of inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of either Seller and Customer.

If Seller is Fellowes Canada, Ltd.

The construction, validity and performance of these Terms and Conditions shall be governed and construed according to the internal laws of the Province of Ontario, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the Province of Ontario. Each of the Parties agrees that any legal action arising out of or relating to this Agreement shall be brought in Ontario, Canada, and consents to the personal jurisdiction of such courts over the Parties in any such action. Each of the Parties waives any defense of inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of any Party hereto.

If Seller is Fellowes Ltd, Fellowes Ibérica S.L., Fellowes GmbH, Fellowes Polska S.A., Fellowes RU Ltd, Beswick Office Products (Pty) Ltd., Fellowes Leonardi S.p.A., or Fellowes France SA

Terms & Conditions

The construction, validity and performance of these Terms and Conditions shall be governed and construed according to the laws of England and Wales. Seller and Customer agree that any legal action arising out of or relating to this agreement or the transactions contemplated by this agreement shall be brought in England and Wales, and consents to personal jurisdiction of such courts over them in any such action. Any such action shall be conducted in English. Seller and Customer waive any defense of inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of either Seller and Customer.

If Seller is Fellowes (Australia) Pty. Ltd:

The construction, validity and performance of these Terms and Conditions shall be governed and construed according to the laws of Victoria, Australia. Seller and Customer agree that any legal action arising out of or relating to this agreement or the transactions contemplated by this agreement shall be brought in courts of the State of Victoria, and consents to personal jurisdiction of such courts over them in any such action. Any such action shall be conducted in English. Seller and Customer waive any defense of inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of either Seller and Customer.

If Seller is Fellowes Office Products Suzhou Co. Ltd, Fellowes Singapore, Fellowes Malaysia, Fellowes Korea Ltd:

The construction, validity and performance of these Terms and Conditions shall be governed and construed according to the internal laws of the State of Illinois. Any controversy or claim arising out of or relating to these Terms and Conditions, or the breach thereof, will be determined by arbitration administered by the International Centre for Dispute Resolution ("ICDR") in accordance with its International Arbitration Rules. A request for interim measures addressed by Seller and Customer to a judicial authority will not be deemed incompatible with the agreement to arbitrate or a waiver of the right to arbitrate. The place of arbitration will be Chicago, Illinois, U.S.A. The number of arbitrators shall be three (3); Seller and Customer will each appoint one (1) arbitrator, and ICDR will appoint a third arbitrator, who will be the presiding arbitrator. The language of the arbitration will be English. The arbitration award made by ICDR will be final and binding upon the parties. The costs of arbitration will be borne by the losing party, unless otherwise determined by the arbitration award.

Notwithstanding the forgoing, if Customer is domiciled in the People's Republic of China or any other jurisdiction that does not enforce the judgments from a court of a jurisdiction designated by the foregoing paragraphs, the paragraph calling for arbitration with the ICDR shall apply.

Relationship of parties.

References herein to "Customer" include the person or entity specifically identified in the Invoice as "Customer" and its divisions, subsidiaries and affiliated companies. The relationship of the Parties hereto is that of vendor and purchaser. Nothing in these Terms and Conditions, and no course of dealing between the Parties, shall be construed to create any other type of relationship. Accordingly, Customer shall not be empowered to bind Fellowes in any way, to incur any liability or otherwise act on behalf of Fellowes.

Severability.

If any clause or portion of these Terms and Conditions shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining clauses or portions shall remain in full force and effect.

Force majeure.

Fellowes shall not be liable hereunder for any failure or delay in the performance of its obligations under these Terms and Conditions, if such failure or delay is on account of causes beyond its control, including labor disputes, civil commotion, contagion, pandemic, war, fires, floods, inclement weather, governmental regulations or controls, casualty, government authority, strikes, or acts of God, in which event the Fellowes shall be excused from its obligations for the period of the delay and for a reasonable time thereafter. Fellowes shall use reasonable efforts to notify the other Party of the occurrence of such an event within five business days of its occurrence.
